OUR STORY

Our story revolves around the concept of TOTUS, a wholeness or completeness. This is our base philosophy.

We are a group of well rounded legal professionals who are qualified for any legal project. Our extensive knowledge cater to any client needs.

Our firm is forward thinking and progressive. We grew from a need in our field for a new perspective, one we felt we could provide. This thinking we feel gives us an edge in our work and approach.

MISSION

“To provide the very best legal services in Zimbabwe!”

OUR STRATEGY

We are a solutions focused firm. We focus on the bigger picture & get cases completed. Our brand is one of dynamic “Wholeness”

Our brand must be stoic and calm, projecting confidence in our communications and tone. The look should feel elegant yet minimalist.

Our overall aesthetic should be clean and polished. Too many elements in a page or layout will tend to take always from our clean look. Our text should always have ample padding between other shapes, to continue the clean look of things.

VISUAL IDENTITY

Our visual identity is based on a shield like symbol that was contructed using G & V letters. The logo uses a beautiful san-serif typeface of “TEXTA” in all it’s variations.

VISUAL IDENTITY

We have multiple variations of our logo and symbols that can be used in addition to the brand. They are good for different scenarios like digital platforms where using the contrast logos may be more desirable

COLOURS

The core brand colors uses gold and blacks for the primary colors. These colors evoke feelings of luxury, sophistication, power, and prestige.
